NIKHIL FALKE

B.E, DEVELOPER

ABOUT ME

I am looking for a beginner role to expand and develop my technical expertise which I gain from Amravati University. I have a B.E. from Sant Gadge Baba Amravati University. I can quickly update and learn new ideas and have a strong desire to work with an organization that will helps me improve my abilities and grow with the organisation.

PROJECT

Personal Portfolio Website

This is my minor project on personal portfolio website by using Html, CSS Bootstrap and JavaScipt.

WowFoods Website

This is also my minor project on online food ordering like zomato, swiggy, etc. By using Html, CSS, Boostrap. actually I'm currently working on it.

Online Mess Recommender System

This is my major final year project on "Mess Finder App" which will find best nearest mess for us by our choice and it will suggest us which one is the best and affordable mess for us. Me and my team is working on it.
